# Life Group?

## What are Life Groups?

Life Groups small groups of between 4 – 12 people who meet together on a regular basis to develop relationships with each other, to draw closer to God and to grow in faith. They are a great place to receive mutual support and encouragement and in spending time with each other friendships are deepened.

## What happens at a Life Group?

All our Life Groups are different - some choose to consider material relating to the Sunday sermon, others will use books or DVDs to help understand the Bible and faith better. All have common characteristics of praying, discussing living life as a Christian and sharing together.

## Where do Life Groups meet?

Our Life Groups meet in different venues, often in peoples' homes. There are groups in Clayton and other areas. Details showing when each Life Group meets and in what area are overleaf.
