All rolled into one this week!

**Community**

Please pray specifically for community outreach initiatives that Clayton Baptist will be undertaking between now and Christmas. Pray that people in the local community will be engaged and that relationships will be developed.

## Be a People who Seek after God's Own Heart.

### NEVER STOP PRAYING

10 Day -10 Hearts. What is God laying on yours? Each day that you pray through a theme in the 5 things to Pray for your Church book, ask God to lay something specific or, someone specific on your heart. Write that in one of the hearts. The more we allow God the space to speak to us he will. The more we are obedient in responding to his voice, the more we will hear, the more opportunities we will receive...the more, the more...the more. Please don't shrug this off and think that you are not 'one of those people God uses' he uses EVERYONE. Your name is written on his heart. He loves you. The children at church in their Explore material are reminded often that God loves them with a *Never stopping, Never giving up, Unbreaking, Always and forever love* -that applies to you too. That's his heart for you. So, ASK. SEEK. KNOCK. Be expectant. Ask God for what's on his heart, to be on yours, and let's see his Kingdom move!

AMEN
